

Hello BRMS Families --

To celebrate this New Year, we're launching a Healthy Living Initiative called "Grow, Perform, & Thrive" and would love for you to join us. It's a simple "win-win" fundraising program, where YOU SAVE on organic superfoods and a generous donation comes to our school! You can now save \$50 on organic superfoods with Purium for you and everyone in your family.

## Help your family Grow, Perform, & Thrive!

We've partnered with a superfood manufacturer based in Southern California, Purium, who has been making organic, non-GMO nutritional supplements for 25 years. What started as a small, family-owned manufacturing business has grown into the largest online farm-to-family superfood store on the internet called **iShopPurium.com**.

The **iShopPurium.com** website includes a wide variety of healthy products for:

- Weight Loss
- Energy
- Sleep
- > Cleansing
- > Stress Reduction
- > Rejuvenation
- > Athletic Performance
- > Mental Clarity
- > Healthy Aging

All products are 100% PURE: no gluten, no soy, no sugar, no dairy, no artificial colors, no artificial flavors, no artificial sweeteners, no binders, no fillers, no hormones, no pesticides, and no genetically-modified ingredients. Plus, every product has a **60-day, money back guarantee**.

## You Save \$50 on your first order!

We have a **\$50 Gift Card** for you to use on your first iShopPurium.com order. Just purchase \$75 of products (or more) and you save \$50 with our code. Plus, you'll **save up to 25%** on all future orders!

Use the Gift Card Code: **BRMS**

## BRMS Earns 20% FOR LIFE!

Purium **donates 20% on everything** you spend, for as long as you are a Customer. So, this is the fundraiser that can keep on giving to your health and our community! You can **share our code** with anyone you know. **The more you share, the more we receive.** Anyone you share our code with will also save \$50 on their first order and up to 25% on all future orders.

## What You Do:

1. Go to **iShopPurium.com** and order any products you'd like.
2. Enter our Gift Card Code: **BRMS** when you are checking out and you'll save \$50.
3. And 20% from all future purchases will be donated back to us.

Then, if you'd like, please share our Gift Card Code with others as 20% from all future purchases will be donated back to us. This is a health initiative that everyone can feel good about!
