

BULL RUN MIDDLE SCHOOL
Yearbook Club 2023-2024

Dear Parents/Guardians,

Congratulations! Your child is interested in joining the Yearbook Club. The Club meets in room 1424 on the **First Thursday of every month** beginning on October 5.

Additional Thursday meeting may be announced in advance.

Students will concentrate on the following areas: page design, digital photography, editorial composition, page layout, and creativity.

Students will be asked to take digital photos with their cell phones during after school events such as football, soccer, or other activities if they plan to attend these events. My goal is for the students to learn about the skills used in the publishing industry as well as learning basic page design skills and to have fun.

Meetings will run from 3:10 until about 4:15. You may allow your child to walk home; in this case the school's front office must have a signed written permission slip from you on file indicating your child is permitted to walk home. Parents may provide transportation by 4:15 or the student may take the 4:45 activity bus home. **Students not picked up by 4:15 must take the 4:45 activity bus home.** (We usually finish by 4:00). Students cannot be released to anyone other than their parents or guardians.

If a student is being picked up and their ride is not at the school by 4:15 and refuses to take the activity bus, they will not be allowed to participate in the club. Mrs. Bailey has additional after school responsibilities and can not wait with students beyond 4:15 because their transportation has not arrived. Thank you for understanding.

The permission form below must also be completed to allow your child to participate.

Mrs. Bailey
