5. Getting back into a routine- 35.0%

Top 5 Things Students Are Looking Forward To

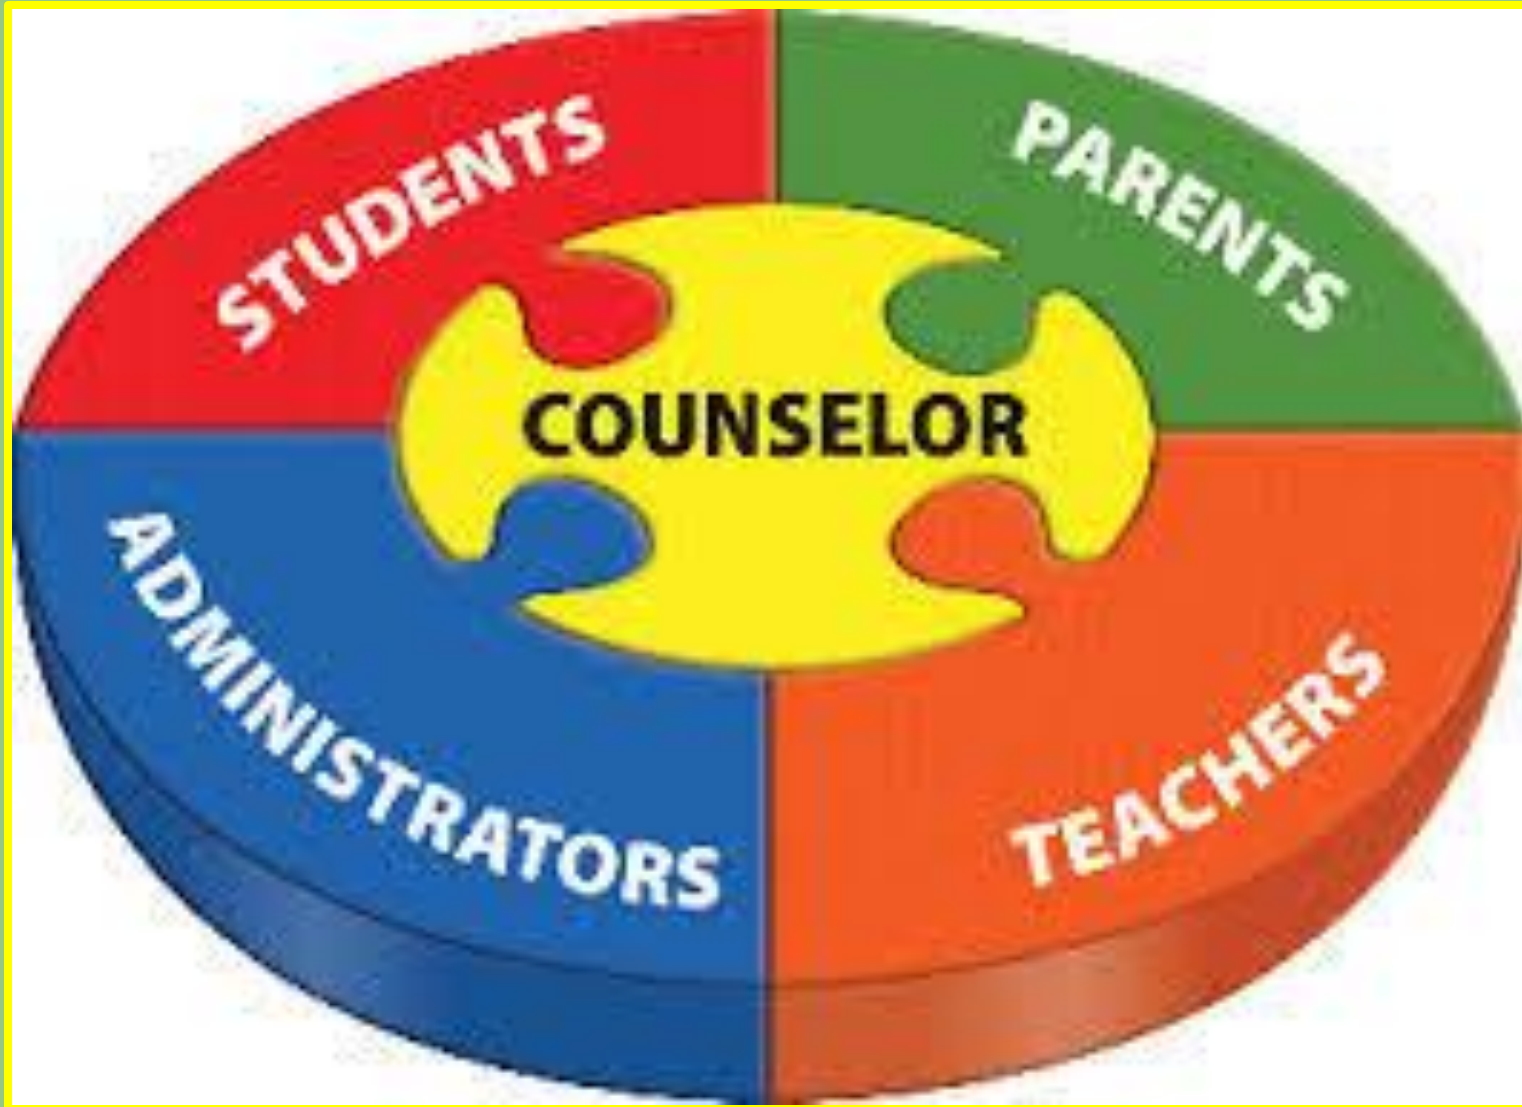

Percent of Students Who Have Experienced the Following in the Last 6 Months- Compared to 1 and 2 Years Ago

Counseling Department Program Goals

By June 2024, approximately 38 BRMS students who have been identified as having a history of chronic absenteeism and at least two risk factors on the DART At Risk Report will have improved their attendance rate by 10%, as calculated by percentage of total school days missed and compared to the 2022-2023 school year.
