

ARCHERY CLUB

Archery is an activity in which people from all walks of life and almost every size and ability can participate. It has been shown to be effective in helping young people experience success. Once boys and girls enjoy the thrill of archery success, they realize they can accomplish many things with proper instruction, practice and a positive attitude. The purpose of the club is to provide students with a fun and safe opportunity to develop their archery skills.

**The ARCHERY CLUB is open to boys and girls.
You do not have to be an experienced archer to join.
